Overall Outcomes 2001-2020 CAAHEP Accredited Perfusion Programs

NOTES

2001 and 2002 based on 20 accredited programs

2003 based on 19 accredited programs - 2 programs had no graduates in 2003

2004 based on 18 accredited programs - 3 programs had no graduates in 2004

2005 based on 20 accredited programs - 1 program had no graduates in 2005

2005 placement and survey outcomes based on 124 graduates only - outcomes for 11 graduates unknown

2006 based on 19 accredited programs - 1 program had no graduates in 2006

2007 based on 19 accredited programs - outcomes for 1 program unknown

2008 based on 18 accredited programs - 1 program had no graduates in 2008 due to program change

2008 placement and survey outcomes based on 104 graduates only - outcomes for 2 graduates unknown

2009 placement based on 96 graduates only - outcomes for 18 graduates unknown***

2010 based on 15 accredited programs - 2 programs had no graduates in 2010

2011 based on 15 accredited programs - 1 program had no graduates in 2011

2012 based on 16 accredited programs

2013 based on 16 accredited programs

2014 based on 16 accredited programs

2015 based on 17 accredited programs

2013 employer and survey return rates and satisfaction based on 126 graduates (123 employed)/15 programs only

2014 employer and graduate survey return and satisfaction based on 124 graduates/123 employed; unknown for 10 graduates

2015 employer and graduate survey return and satisfaction based on 138 graduates/137 employed; unknown for 13 graduates

2016 based on 16 accredited programs - outcomes for 1 program unknown

2017 based on 16 accredited programs - 1 program had no graduates

2018 based on 16 accredited programs - one accredited program had no graduates in 2018

2019 based on 16 programs; graduate and employer survey return rates and satisfaction unknown for 8 graduates so are based on 183 graduates and 182 employed

2020 based on 17 programs; graduate and employer and survey return rates and satisfaction unknown for one program so are based on 183 graduates and 182 employed

Graduate surveys sent only to employed graduates in 2005-2008

Graduate and Employer satisfaction for 2001-2008 determined using overall survey analysis

Graduate and Employer satisfaction for 2009 and after determined using item analysis

"Positive placement" rate includes graduates employed in a related field, continuing education, or active in the military.
